

有田川水系 洪水浸水想定区域図 (想定最大規模)【13/25】

A map of the northern part of Wakayama Prefecture, Japan, highlighting the Kuroshio Current's path. The map shows several cities and towns: Wakayama City, Himeji City, Nishio City, Kuroshio Town, Kuroshio-cho, Tomonoura, Takiura, Uda City, and Kuroshio-cho. A blue line representing the Kuroshio Current flows from the south towards the north, passing between Wakayama City and Himeji City, and then along the western coast of the prefecture. A box labeled "Kuroshio Current" is drawn around the area where the current turns northward.
